

MPO/MTP® Cassette Module

ARIA's MPO/MTP® Cassette Module is an LGX format cassette that transitions between MPO/MTP® and LC or SC connectors.

This module is used to interconnect MPO/MTP® backbones with LC or SC patch cords.

The cassette faceplate features SC or LC adapters and the rear of the cassette features MPO/MTP® adapters.

Various mounting options are available to mount the MPO/MTP® Cassette Module in a rack or on a wall.

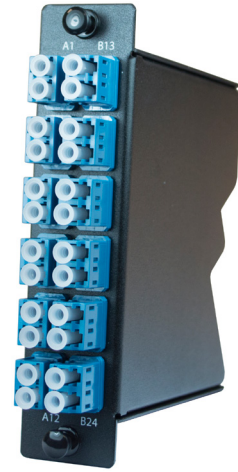

Available Formats

12 Fiber SC to 12 Fiber MPO/MTP®

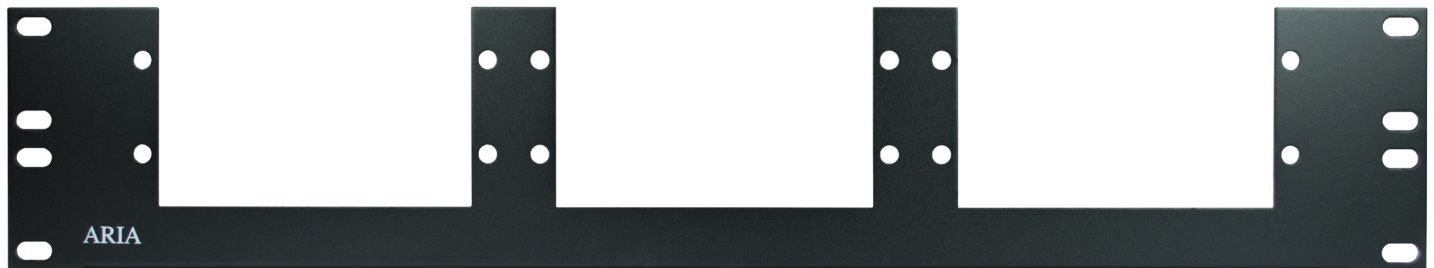

12 Fiber LC to 12 Fiber MPO/MTP®
